NOKIA 105

Quality that keeps you connected

Nokia 105

From **HMD** - makers of Nokia phones

Trust goes a long way. Nokia 105 boasts the kind of build quality for which Nokia phones are known, proven by rigorous product testing. With a 25% bigger battery than its predecessor, Nokia 105 is a phone you can rely on – day in, day out.

Full specifications

Quality build

Backed by rigorous product testing to ensure it can take life's knocks.

Wireless FM radio

Tune in to local stations with or without a headset.

Long-lasting battery

Get up to 12 hours of talk time or 22 days of standby from a single charge.

Easy to use

Feels intuitive with a large display and tactile keyboard.

Local music and news at your fingertips

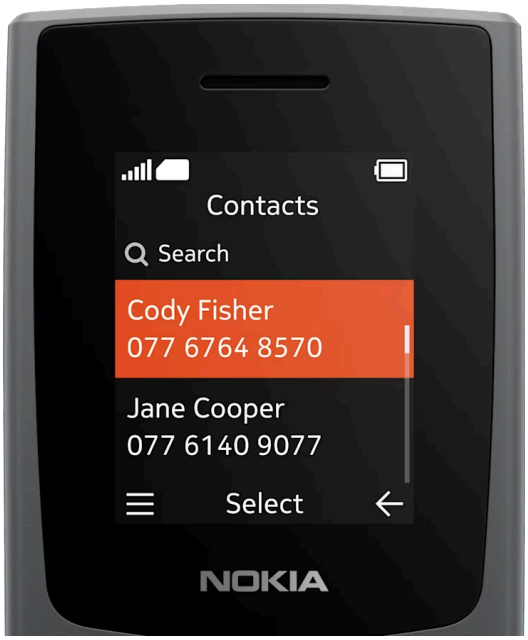
Listen to news on your morning commute or play music at home. The wireless FM radio works with or without a headset, so you're good to go.

Bigger battery

Nokia 105 features a 25% bigger battery than the previous model, giving you up to 22 days of standby and up to 12 hours of talk time per charge. Top up with a standard Micro USB cable.

Keep your contacts close

With space for up to 2,000 contacts and 500 SMS messages, there's nothing to stop you staying in touch.



As fun as it is useful

You never know when a torch will come in handy. Thankfully, Nokia 105 has one built in. And when it's time to relax, kick back with a few games.
